

# ***SPECIAL CONDITIONS***

## **CONTENTS**

These conditions amplify and supplement, if necessary, the general conditions governing the contract. Unless the special conditions provide otherwise, those general conditions remain fully applicable. The numbering of the articles of the special conditions is not consecutive but follows the numbering of the articles of the general conditions. In exceptional cases, and with the authorisation of the appropriate Commission departments, other clauses may be added to cover specific situations.

### **How to complete these special conditions:**

**Where you see < ... >, enter the information relevant to the special conditions.** The phrases in square brackets [ ] should only be included if relevant. The paragraphs shaded in grey should only be amended in exceptional cases, depending on the requirements of particular tender procedures.

**Note that the special conditions provide for allowed deviations from the general conditions. The use of further deviations from the general conditions requires an exception to be granted by the relevant services of the European Commission.**

Please remember to delete this paragraph and all pointed and square brackets in the final version of the special conditions.

### **Article 2 Language of the contract**

- 2.1 The language used shall be English.

### **Article 4 Communications**

- 4.1 <Indicate here the contact persons, addresses of the parties and their contact details the documents to provide and the procedure to be used by the Parties for communication.>
- 4.2 An electronic system will be used by the contracting authority and the contractor for all stages of implementation including, inter alia, management of the contract (amendments and administrative orders), reporting (including reporting on results) and payments. The contractor will be required to register in and use the appropriate electronic exchange system to allow for the e-management of the contract.

The electronic management of the contract through the aforementioned system may commence on the date on which implementation of the contract starts, as described in Article 18 below, or at a later date. In the latter case, the contracting authority will inform the contractor in writing that he will be required to use the electronic system for all communications within a maximum period of 3 months.

### **[Article 6 Subcontracting**

- 6.3 **EDF only:** When selecting subcontractors the contractor must give preference to natural persons or companies from ACP States capable of implementing the tasks required on similar terms.]

## Article 7 Supply of documents

<Indicate here the documents, drawings to be supplied and, if necessary, the procedure to be used by the contracting authority and the project manager to approve drawings and other documents provided by the contractor>

## Article 8 Assistance with local regulations

<Specify the procedures for obtaining permits, visas, authorisation or licences or, at least, specify the relevant reference texts, if necessary>

## Article 9 General obligations

- 9.9 <Specify the specific activities to be put in place by the contractor to comply with its minimum obligation towards visibility and, if applicable, any additional communication activities agreed by the European Commission. These activities must comply with the latest Communication and Visibility Requirements for EU-funded external action, laid down and published by the European Commission.>

## Article 10 Origin

- 10.1 [Under the Multiannual Financial Framework 2014-2020 (contracts/lots below EUR 100 000 under CIR) and under the Multiannual Financial Framework 2021-2027: All goods purchased can originate in any country.]

[Under the Multiannual Financial Framework 2014-2020 (contracts/lots above EUR 100 000 under CIR and irrespective of the value for other instruments): All goods purchased must originate in an eligible source country as defined in < insert relevant instrument financing the project/programme>. For these purposes, ‘origin’ means the place where the goods are mined, grown, produced or manufactured. The origin of the goods must be determined according to the EU Customs Code or to the relevant international agreement applicable.]

[EDF: Goods originating in the EU includes goods originating in the Overseas Countries and Territories.]

<Specify any authorised derogation from the rules of origin>

## Article 11 Performance guarantee

- 11.1 [The amount of the performance guarantee shall be <insert percentage between 5 and 10> % of the total contract price, including any amounts stipulated in addenda to the contract.]

OR: For contracts of EUR 150 000 or below, the contracting authority may decide, on the basis of objective criteria such as the type and value of the contract, not to require such a guarantee.

[No performance guarantee is required.]

## Article 12 Liabilities and insurance

- 12.1(a) <Specify here the specific requirements of liability for damage to the supplies>

[If you find it necessary to set a limit other than that referred to in the general conditions, add the following clause :

‘By way of derogation from Article 12.1(a), paragraph 2, of the general conditions, compensation for damage to the supplies resulting from the contractor's liability in respect of the contracting authority is capped at an amount equal to <complete with an amount that can be a multiple or fraction of the contract value.>’]

12.1(b) <Specify here the specific requirements of liability for damages to the contracting authority>

[If you find it necessary to set a limit other than that referred to in the general conditions, add the following clause :

‘By way of derogation from Article 12.1(b), paragraph 2, of the general conditions, compensation for damage resulting from the contractor's liability in respect of the contracting authority is capped at an amount equal to <complete with an amount that can be a multiple or fraction of the contract value>.’]

12.2(a), paragraph 1 <Specify here specific requirements on when the requirements of proof of completion of adequate insurance must be provided>

[If you find it necessary to tailor differently when the requirements for proof of insurance must be met, add the following clause :

By derogation from Article 12.2(a), paragraph 1, of the general conditions, [indicate when], the contractor shall ensure that itself, its personnel, its subcontractors and any person for which the contractor is answerable, are adequately insured with insurance companies recognized on the international insurance market, unless the contracting authority has given its express written consent on a specific insurance company.]

12.2(a), paragraph 2 <Specify here specific requirements on when the requirements of communication of cover notes and/or insurance certificates must be fulfilled>

[ If you find it necessary to tailor differently the moment cover notes and/or insurance certificates must be communicated, add the following clause :

By derogation from Article 12.2(a), paragraph 2, of the general conditions it is [state when] that the contractor shall provide the contracting authority with all cover notes and/or insurance certificates showing that the contractor's obligations relating to insurance are fully respected. ]

12.2(b), paragraph 2 <Specify any specific insurance requirements to cover the transport of supplies >

This type of insurance will vary depending on the nature of transport (land, air or sea) and the nature of the risks to be covered: loading,

intermediate storage, unloading, including stowage and protection, theft, damage, loss, wetting, etc.

In the case of use of Incoterms, the contractor shall provide transport insurance to the extent that it assumes transportation risks. The question of the extent of the risks assumed by the contractor (seller) depends in particular on the Incoterms used:

- **DDP - Delivered Duty Paid:** Incoterm which imposes on the seller maximum obligations vis-à-vis transportation and loss risks and damage associated with the goods:  
*'the seller delivers the goods when the goods are placed at the disposal of the buyer, cleared for import on the arriving means of transport ready for unloading at the named place of destination. The seller bears all the costs and risks involved in bringing the goods to the place of destination and has an obligation to clear the goods not only for export but also for import, to pay any duty for both export and import and to carry out all customs formalities.'*<sup>1</sup>  
The transfer of risks and costs occurs at the place of unloading of the goods at the agreed place of destination.
- **DAP - Delivered At Place:** Incoterm whereby the buyer bears all risks and costs of import clearance:  
*'the seller delivers when the goods are placed at the disposal of the buyer on the arriving means of transport ready for unloading at the named place of destination. The seller bears all risks involved in bringing the goods to the named place'*<sup>2</sup>, including customs clearance for export, but not for import at the port or at the border of the agreed place of destination.
