An aerial, top-down view of a large crowd of people. The people are densely packed to form the outline of the African continent. Each person is wearing a small, colorful hat or accessory, creating a mosaic effect. The background is a plain, light-colored surface.

From emergency to development, this is the challenge we are now ready to take up. Not easy, nor obvious though to be addressed **with the help of each of you.**

WE ARE WAITING FOR YOU!

you will receive more detailed information on transport and logistics later.
